

## How to find South Petherton Photographic Society

Take the road into the village at the A303/Hayes End Roundabout (a few miles west of Yeovil) – you are on Hayes End Road.

Go straight over the first mini roundabout- go past South Petherton Junior School (on your left) – continue to the second mini roundabout. At this roundabout go left towards the village centre (you will be on Harvey's Road, sometimes known as Knapp Hill).

Follow the road past the Library on your left, the David Hall on your right and the village car park also on your right. The road now becomes St James's Street. Continue past various shops, the Brewers Arms (on your right) and more shops.

You will pass the Post Office on your left, shortly after which the road bends around to the left where it becomes Palmer Street. Immediately on this bend you should see the Coke Memorial Methodist Church on your right where Palmer Street and North Street meet.

We meet in the Methodist Church Hall; the small car park and hall entrance is just to the left of the church as seen from Palmer Street.

(Nb Some sat-navs interpret the postcode for the hall incorrectly – this paper-nav is much more reliable!)
